TRIAL SITE, BRIEFINGS, WARM-UP, AND STAGING AREA INFORMATION

Trial Hours will be the same on both days of the trial. Trial site will be open to competitors at 7:30 am and will close an hour after the last dog has run for the day. Interior (incl. Container/Buried) search locations may require dog and handler to climb stairs to access the area. Exterior (incl. Container/Buried) search locations

may have uneven ground with dirt and or gravel. If you have concerns or special needs, please contact the Trial Chairperson.

The **General Briefing** will take place at approximately 8:30 am near the Check in table. This briefing consists of introductions of the Trail committee, Judges and a general recap of Site location and Trial rules.

The **Judges Briefing** may take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the briefing the Judge will explain if there's an offleash option, number of hides, maximum height of hides and maximum time for the search. NO DOGS are to be present during the Judges Briefing.

A **warm-up area** the club shall designate a warm-up area. One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers.

Staging Area will be out of view of search area(s). Staging areas will include warm-up and waiting area, as well as a separate area for check-ins and posting of running order and results

SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class.

Search Area Conditions. Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

Search Area Sizes will be as follows, Container Novice (250-400sqft.), Interior Novice (100-200sqft.), Exterior Novice (200-400sqft.), Buried Novice (150-200sqft.), Handler Discrimination Novice (250-400sqft.), Detective (2000-5000sqft.) or as required in the latest version of *Regulations for AKC Scent Work.* (Available on the AKC website at AKC.org)

ADDITIONAL TRIAL SITE INFORMATION

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are reallife environments, and such visits may risk the host losing the opportunity to use the location in the future.

Possession of Odors and Training. Chapter 5. Section 35 of the *Regulations for AKC Scent Work* states "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Spectator Area. Spectators are encouraged and may observe at the Judge's discretion. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area or area as designated by the Judge. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide.

Crating space will not be available at this trial. Competitors are required to crate out of their vehicles. Please leave appropriate space between vehicles, eight feet recommended, to allow your dog to exit without encountering another dog or person.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made.

The Albany Obedience Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The Albany Obedience Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Albany Obedience Club or any official thereof.

Collars, Leashes and Harnesses. During searches dogs must wear a properly fitted collar or harness approved by the Judge. Harnesses will be constructed of plain, pliable material and will be designed so that there is minimal restriction of the dog's movement. No special training tools, such as electronic collars, prong collars, head halters, choke chains, or no-pull harnesses may be used during the search. Martingale collars are permitted. No odoremittent collars (such as no-bark collars that spray citronella, or DAP calming collars) may be worn or present in the search area.

Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after their search. The leash should be made of plain, pliable material. Any length of leash and/or retractable leashes are permitted for use during the judged search. Most searches will be conducted entirely on leash, but an off-leash option may be offered at the discretion of the Judge. **All dogs must be always on leash**, and retractable leashes cannot be used when on trial grounds (only used during judged searches).

Video/Photographs. A wearable camera such as a "GoPro" may be mounted to the dog's harness, if desired. Camera must not obstruct the dog's ability to perform the search or aid in the disturbance of a search area. Handlers are not allowed to take video while handling a dog, except for cameras such as the "GoPro" are permitted to be worn by handlers. These videos are for the enjoyment of those who cannot be present to watch the team search, and for the handler to have a keepsake of their experience. Under no circumstances may they share this with any handler competing in the same class who has not yet run. Videos are not permitted to be steamed live, posted, or shared to social media until the conclusion of the trial day.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical condition are not eligible for a refund.

Bitches in season (BIS) will be refunded the entry fee minus a \$5 per run processing fee. Notification in writing from a veterinarian is required and must be received by the to the Trial Secretary no later than a half hour **prior** to the start of the first class, on the day of the trial.

RINGSIDE

Judges are NOT required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. *The Albany Obedience Club has no responsibility to provide service through a public address system, stewards, or runners for the purpose of calling or locating dogs that are not brought to the search area when required.* If handlers expect a REASONABLE delay to a class or are aware they are being paged, they should go to a steward acting on behalf of the club with a walkie-talkie and make sure the information is communicated.

EXHIBITOR CHECK-IN: Exhibitors MUST check-in for EACH day they are entered in a trial.

Element/Class run order and results will be posted at or near the check in area. Notification of absence is expected via email to Trial Secretary.
